

### features.

- **Panel Space:** 14U or 24.50" [622]
- **Overall Height:** 28.34" [720]
- **Overall Depth:** 21.00" [533]
- **Overall Width:** 19.21" [586]
- **Description:** Slim open-frame rack for 19" equipment is made to fit where a standard rack may not, such as inside millwork or under a counter. A variety of options make it suitable for additional applications. Ships unassembled.
- **Construction:**
  - 14-gauge certified U.S. steel frame
  - 11-gauge corner post rails tapped 10-32. Bi-directional numbered RU increments allow rail installation in either direction.
  - Smooth black powder epoxy finish
  - Upper and lower front vents
  - Steel top with vents (top vents will accept an optional single fan kit).
  - Open sides with multiple obrounds for easy cable management
  - Large opening in base (10.50"W x 9.00"D)
  - Combination knockouts (1/2"–3/4") in rear for cable management
  - 3/8"-16 threaded T-nuts for (optional) leg levelers
- **Hardware:** Assembly and panel mounting hardware (hex nuts, flat-head screws)
- **Compliance:** EIA/TIA compliant. RoHS compliant.
- **Load Capacity:** 400 lbs.
- **Optional:**
  - Front door (LXR-FD Series)
  - Rear access cover that opens from top (#LXR-RAC14)
  - Side panels with vents (#SDV-1421)
  - Leg levelers (#LL)
  - Protective runner kit for slide-in applications (#PRK)
  - Zero space shelf for wide equipment (#LXR-NS21)
  - Mobile base w/non-locking swivel casters (#LXR-MB21)
  - Mobile base w/non-locking swivel casters for fine floors (#LXR-MB21F)
  - Set of 4 swivel casters, non-locking (#LXR-C3S)
  - Set of 4 swivel casters, 2 locking (#LXR-C3SL)
  - Set of 4 swivel casters for fine floors, non-locking (#LXR-C3SF)
  - Set of 4 swivel casters for fine floors, 2 locking (#LXR-C3SFL)

### a&e specifications.

The EIA/TIA compliant 19" equipment rack shall be Lowell model #LXR-1421 with overall dimensions of 28.34"H x 21.00"D x 19.21"W and usable height of 14 rack units. Rack construction shall be certified U.S. steel—16-gauge frame with 14-gauge corner post rails tapped 10-32—with smooth black powder epoxy finish. It shall feature combination knockouts (1/2"–3/4") in the rear and side obrounds for cable management. The bottom opening shall measure 10.50" x 9.00". The rack shall be manufactured in the U.S.A. with a load capacity of 400 lbs. It shall ship unassembled.

#### Optional

- The rack shall include solid steel front door with key lock model #LXR-FD14.
- The rack shall include smoked plexiglass surface-mount front door with key lock model #LFD-14P.
- The rack shall include rear access cover with key lock model #LXR-RAC14.
- The rack shall include a pair of side panels model #SDV-1421.
- The rack shall include a set of four leg levelers model #LL.
- The rack shall include protective runner kit for slide-in applications model #PRK.
- The rack shall include zero space shelf model #LXR-NS21
- The rack shall include a mobile base with swivel casters model #LXR-MB21, which shall raise rack height 3.95".
- The rack shall include a mobile base with fine floor swivel casters model #LXR-MB21F, which shall raise rack height 4.06".
- The rack shall include a set of 4 swivel casters (non-locking) model #LXR-C3S.
- The rack shall include a set of 4 swivel casters (2-locking) model #LXR-C3SL.
- The rack shall include a set of 4 swivel casters with fine-floor tread (non-locking) model #LXR-C3SF.
- The rack shall include a set of 4 swivel casters with fine-floor tread (2-locking) model #LXR-C3SFL.

### LXR series summary
